

Swarnendu Roy

Computer Science & Engineering Student

royswarnenduroy2005@gmail.com | +91 70013 42036 | github.com/stackbyRoy | [LinkedIn](#) | [Portfolio](#)

TECHNICAL SKILLS

Programming Languages:	Python, C++, JavaScript
Frontend Technologies:	HTML5, CSS3, React.js
Backend Technologies:	Node.js, REST APIs
Databases:	SQL
Developer Tools:	Git & GitHub, Figma
Core Concepts:	Object-Oriented Programming (OOP)

PROJECTS

Loan Buddy — FinTech Web Application	January 2026
- Developed a financial assistance platform during a hackathon to simplify loan discovery and user workflows. - Built responsive frontend interfaces and implemented application flow using modern web technologies. - Collaborated in a team environment using Git-based version control and deployment workflows.	
Developer Portfolio Website	July 2026
- Designed and developed a personal portfolio website with a monochrome interface and cobalt blue design system. - Implemented interactive SVG animations and responsive layouts to create an engineering-focused user experience. - Optimized structure, accessibility, and performance for modern browsers.	
MinimalPlayer — Desktop Music Application	February 2026
- Developed a desktop music player using Python and PySide6. - Implemented playlist management, audio playback controls, and local media handling. - Applied object-oriented programming principles for application architecture.	

EDUCATION

B.Tech in Computer Science & Engineering (Pursuing)	Expected Graduation: 2029
Maulana Abul Kalam Azad University of Technology	CGPA: 7.37 (current)
Govt. College of Engineering and Leather Technology, Kolkata	

ADDITIONAL INFORMATION

Languages Known:	English, Hindi
Interests:	Football Tactics, Historical Documentaries, Content Creation
